# Student MONTH SHELDON ELEMENTARY

SOLVING PROBLEMS INDEPENDENTLY

#### NATHAN PEREZ VALENCIA Ms. Mendoza | ESN

Congratulations to Nathan! He lets his teachers know when he wants his water or a snack by taking it to them. He gets his sensory needs met by using his favorite tools which include a spinning chair and a yoga ball.

## MICHEO VILLA Ms. Sylvia | TK

Micheo always has a positive attitude in school. He has learned to use his words to resolve conflicts with his peers. He is patient and kind with everyone. Way to go, Micheo!

# Ms. Ransom | Kindergarten

Amaya has consistently put forth effort this year to become a hard-working independent student. She loves to solve problems on her own and is open to learning new things. Great job, Amaya!

#### **EADRIC LYONS** Ms. Gutierrez | Kindergarten

Eadric is very good with communicating his feelings in class with his peers. He uses our imessage to resolve conflicts and continues to model positive behavior and problem solving skills. Way to go Eadric!

# **LA NIYA HALL** Ms. Berenguer | 1st Grade

La Niya is an amazing student that demonstrates her "thinker" qualities every day! She uses critical and creative thinking skills to solve problems independently. She takes initiative to problem solving all the time!

#### CHARLOTTE DRAPER Ms. Howard | 1st Grade

Whenever there's a problem, Charlotte can solve it! She remains calm in stressful situations. She uses her words instead of her emotions to explain herself.

### Lena olsen Ms. Murphy | 2nd Grade

Lena is an independent problem solver! She remembers the skills and strategies we use to solve problems, and asks for help with medium or big Mproblems. Way to go, Lena!

#### RIVEN REYES MELGAR Ms. Tran | 2nd Grade

Riven is a very calm and reasonable student. If there's a conflict, she tries not to get too upset. Instead, she talks it out and tries to solve the problem. If she needs help, she doesn't hesitate to ask an adult to assist.

#### MARIA ANDRADE Ms. Marker | 3rd Grade

Maria shows excellent conflict resolution skills and exercises them whenever her peers need help solving problems. She is always willing to help work problems out. She is able to work independently and is a very responsible student.

#### ALYSON KOHLSTCDT Ms. Wolfman | 3rd Grade

Alyson is a problem solver. She stays calm and works with her peers to get to a solution. She also knows there are adults to help her if the problem is too big. She can work independently and is a very responsible student.

#### LAMAR GERAN Ms. Bunney | 4th Grade

This was a tough one! There were so many students that displayed solving problems independently. However, after watching all year to see the responsibility that my students have shown in owning their actions and speaking up and solving problems- Lamar Geran truly deserves this award!

## YAN CARMAGO Ms. Papps | 4th & 5th Grade

Congratulations! Yan has matured this year and it really shows. He is much more independent in class when solving his own problems. He also helps mediate when others need assistance. We are all so proud of his achievements.

#### **VALERY RODRIGUEZ** Ms. Avalos | 5th & 6th Grade

Valery is very independent and able to resolve conflicts calmly, peacefully, and respectfully. She has stayed clear of drama. I am proud to call her Room 25 Student of the Month for May!

# Mr. Oropeza | 6th Grade

Aaliyah has really been focusing on doing her best. She has been taking her school work much more seriously and her grades show it! Aaliyah is a problem solver and pays attention to details and making fewer mistakes. She takes pride in her work and it shows! Aaliyah is setting an example for other students in the class to follow. She is polite, friendly, and considerate of others, and I can count on her to follow rules and be a good citizen.
